- If you only purchased one pass close out of the "Irisk.net" window and return back to the shopping cart.

If you have purchased additional passes repeat the Season Pass Waiver Signature process for each pass until all waivers are signed. Close the "Irisk.net" window and return to the shopping cart.

Once item is selected: Add to Cart

- If the products you purchased included rentals the rental will need to be added to the cart.

"Cart Contents" – gives you the ability to review your purchase. If you need to purchase additional items click "continue shopping".

Once you are done shopping you will need to assign a "guest" for each item added to your cart. Click on "add/change guest" (located next to the blue figure).

Please Note: when creating a "New Guest" or searching for an "Existing Guest" the "guest" is the person participating in the ski/snowboard program, not the parent, guardian or group leader registering them.

- If you have previously purchased anything online from the Camelback, Camelbeach or CMA website, you are an "Existing Guest". Enter your first and last name and click "Look Me Up".

Select the Guest Record that matches the last 2 digits of the phone number attached to the record.

You will need to put in the Password you originally created or click "Forgot Password" and you will be issued a new password via email. Passwords are case sensitive.

Click "Verify"

- For "existing guest" – Once you have located the existing guest, the "Guest Details" will be displayed. Click "continue" if nothing has changed. Click "edit" and update if there are changes. Click "Save". Click "Continue".
- If buying a season pass we suggest that you upload a **current, close-up school photo**. Click "upload photo", browse to the photo location to select photo, click "upload". If this is not possible the pass holder will need to come into Guest Services to have a picture taken before the pass can be issued.
- If rentals were purchased you will need to "add/change guest" for the rental item as well. Click on "add/change guest". Click on the participants name under "Logged in Guest". Click "edit", scroll down and update the rental information. Click "Save". Click "Continue".
- If you **have never** purchased products online from either Camelback or Camelbeach, you are a "New Guest". Click on "Create New Guest" under the heading of "New Guests".
- Complete the Guest Edit section. Click Save. The Guest Details page will display. Click Continue.
- If rentals were purchased you will need to "add/change guest" for the rental item. Click on "add/change guest". Click on the participants name under "Logged in Guest". Click "edit" and update the rental information. Click "Save". Click "Continue".
- If everything is correct, Click "Proceed to Checkout"
- The next screen will give you one more chance to review your purchase. (Ignore the "Have A Promo Code?")
- Review "Terms and Conditions" and check the box if accepted. The box must be checked to be able to proceed with the order.
- Scroll down the "Please Enter or verify Purchaser Details" page
- Verify billing name and address. This would be information pertaining to the Credit Card holder.
- Enter Payment Information
- Enter credit card information and proceed as directed.
- Click "Finalize Sale" to submit
- You will get a confirmation page that we recommend you print for your records or save to your computer.

You will also receive a confirmation email.
